

UN2874 1 of 2 24 th MAR 2020	Electronic Staff Record Programme USER NOTICE	
Title	GDC Go Live Notification	
Purpose	To inform users that the Professional Body Interface will additionally process GDC records from 25 th March 2020.	
Intended Audience	ESR Leads; HR and Recruitment Teams; Dental Professional Registration role holder	

SUBJECT

This User Notice is to advise users that from Wednesday 25th March 2020 the Professional Bodies Interface will update registration details in ESR for General Dental Council (GDC) registered professionals, in addition to the existing updates for General Medical Council (GMC), Nursing and Midwifery Council (NMC) and Health Care Professions Council (HCPC).

DETAIL

The Professional Bodies interface will, based on the information held in the GDC public register, update registration information held in ESR for GDC registered professionals on a daily basis, as is currently done for GMC, NMC and HCPC registered professionals. Please note that updates will reflect the position as at COB the previous day.

Notifications regarding updates will be produced to those who are assigned to the 'Dental Professional Registration' role within ESR. Please see UN2828 for details.

Notifications regarding data issues with GDC registration details, which have been operational since 30 January 2020 (see UN2843), will continue to be sent to the same role holder to facilitate any necessary data cleanse activities.

ACTION REQUIRED

NHS Organisations which employ **dental professionals and/or technicians** and have not yet allocated the 'Dental Professional Registration' role must do so in order to receive notifications around the updates.

FURTHER INFORMATION

Please raise a priority 5 Service Request on the ESR service desk for any queries about the change, using the path *Report an Issue > AC > Interfaces > Professional Bodies*.

The ESR User Manual has been updated with information about the changes to the professional bodies interface.
