ACTION REQUIRED

Learning Certifications

Organisations may continue to use existing Learning Certifications as follows:

Any Learning Certification that uses an end dated course:

- End Date (Valid To field) the existing course component.
- Add the new course component.
    o Ensure no overlap between the Valid To date of the old course and the Valid From Date of the new course

NB - where a learner is already subscribed to a Certification then they must renew the Learning Certification to be able to enrol on the new component.

Local Offerings based on National Learning Objects

Where any of the existing national learning objects have been used against local offerings, the organisation will need to end date these.

FURTHER INFORMATION

Learners enrolled on classes that are end dated will receive notifications titled, "Class is rescheduled", informing them of the end date for the class.
