

UN2931 1 of 2 13 th AUG 2020	Electronic Staff Record Programme USER NOTICE	
Title	National portal announcement to promote the ESR Hub	
Purpose	To advise users of the intention to publish a national announcement via the ESR portal on 20 th August 2020 to promote the new ESR Hub.	
Intended Audience	All ESR Users	

SUBJECT

A new national ESR portal announcement is scheduled to be published on 20th August 2020 to raise awareness of the launch of the new ESR Hub.

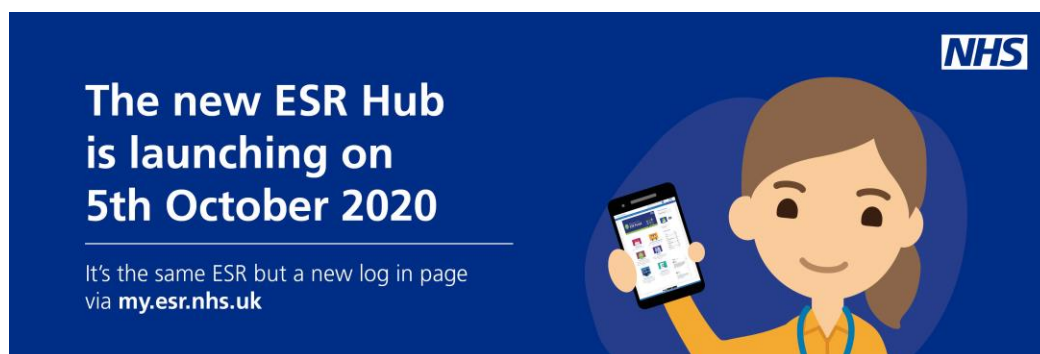

DETAIL

The ESR log in page will be changing from Monday 5th October 2020. Designed to improve the experience for ESR users, the ESR programme team will be launching the new ESR Hub. The Hub is the new web landing page for ESR – <https://my.esr.nhs.uk>.

The ESR URL – <https://my.esr.nhs.uk> will remain the same, but upon opening the webpage users will be presented with a content rich web page that will contain useful ESR related information. Users will be able to login to ESR via a new log in button on the ESR Hub homepage.

As part of the communications plan to ensure that all ESR users are aware of the change to the current ESR log in page, a national portal announcement will be deployed into the portal on 20th August 2020.

The national ESR portal announcement is shown below:

ACTION REQUIRED

None.

FURTHER INFORMATION

UN2931 2 of 2 13 th AUG 2020	Electronic Staff Record Programme USER NOTICE	
Title	National portal announcement to promote the ESR Hub	
Purpose	To advise users of the intention to publish a national announcement via the ESR portal on 20th August 2020 to promote the new ESR Hub.	
Intended Audience	All ESR Users	

Further information and images will be cascaded as part of the communications plan in the lead up to the launch of the ESR Hub in the coming weeks.

NEXT UPDATE

This announcement is the first one of two that will be deployed to raise awareness of the new ESR Hub, with the second announcement being deployed in mid-September – the date will be communicated in due course.
