Title	National e-Learning Changes November 2020	
Purpose	To advise users of changes to national available e-Learning	
Intended Audience	All Learning Administrators and e-Learning users	

SUBJECT

Updates to e-Learning courses are available in ESR

DETAIL

This course supports staff in developing knowledge of the good cleaning practices which help stop the spread of COVID-19 and other infections in the workplace.

Course Name	Provider
000 Cleaning for Confidence	HEE e-Learning for Healthcare

This e-Learning course is intended for use by health visitors and nurses. The programme consists of four introductory modules which have been updated following a refresh of the evidence, policy and legislation on domestic violence and abuse.

Course Name	Provider
000 Domestic Violence and Abuse	HEE e-Learning for Healthcare

The current course 000 Domestic Violence and Abuse has been renamed 000 Domestic Violence and Abuse (2016-2020) and has been end dated for future enrolments.

Existing learners have until the 30 November 2020 to complete, when this course will be end dated.
