| 1.1 | <p><u>RTI Notification to HMRC</u></p> <p>For any queries regarding Tax Year End, HMRC have provided the following online advice:</p> <p>HMRC Tax Year End Guidance</p> <p>It is not recommended that the FPS is marked as ‘final’. Instead the EPS for March 2021 should be submitted as the ‘Final’ submission for the Year. This must be filed with HMRC before the 19th April 2021.</p> <p>Any adjustments after this date must be reported to HMRC via an NHS RTI FPS Amendments XML Process 2020/21.</p> <p>This is a new process which following HMRCs announcement is to be used instead of the EYU for any adjustments to years 2019/20 and beyond.</p> <p>Unlike the EYU when an employee is selected by this process their complete totals will be reported rather than just the delta adjustments.</p> <p>In addition users can now select employees in an assignment set to report to HMRC the values as required.</p> <p>EYU submissions will no longer be supported unless run for tax years prior to 2019/20</p> <p>More information on NHS RTI FPS Amendments XML Process and/or EYU can be found in the RTI Manual.</p> |
| 1.2 | <p><u>ESR Hub</u></p> <p>ESR Hub contains a number of documents surrounding End of Year activities.</p> <ul style="list-style-type: none"> • Year End |

| | Please continue to monitor ESR HUB as new information will be added regularly. |
| 1.3 | <p><u>Resolving Reconciliation Issues</u></p> <p>Payroll Best Practice suggests that users should be reconciling their Payroll(s) each month. If there are any discrepancies, users are asked to raise a Service Request. This enables Application Support to diagnose any problems and provide the solution in a timely manner. You will find the following link of use when reconciling Payrolls:</p> <ul style="list-style-type: none"> • Reconciliation <p>Where possible, adjustments to balances held in ESR should be made by processing element entries in a Payroll run, in accordance with Payroll Best Practice. However, there are cases where this is not feasible, for example, when no further payroll runs can be processed in the tax year. In such cases, it is necessary to use the Balance Adjustment facility:</p> <ul style="list-style-type: none"> • Balance Adjustments |
| 1.4 | <p><u>RTI End of Year Webinars</u></p> <p>RTI End of Year Webinars will be provided by the ESR Education Team in March 2021.</p> <p>It is recommended that Payroll Managers or the individuals within the organisation responsible for completing these tasks register to attend.</p> <p>A User Notice will be distributed later this month detailing dates of these events along with how to register.</p> |
