SUBJECT

Pay Award NHS Doctors & Dentists in Training – Pay and Conditions Circular (M&D) 1/2021

DETAIL

Users are advised that revised rates of Pay and Allowances as authorised by the above agreement will be introduced onto ESR with an effective date of 1st April 2021. This will be applied in Release 49 over the weekend commencing 26th March 2021.

Details of the new rates can be found on the attached spreadsheet.

ACTION REQUIRED

A review of any payments for protections, maternity, adoption etc. should be undertaken to ensure they are updated for the new pay rates.

The central process for Pay Awards to trigger a pension banding reassessment will be run as part of this change. Users are advised to run the Pension Reassessment process in the next payroll run following the Pay Award implementation. A check of the associated output reports should be undertaken to ensure that any changes to bandings that have been applied are correct.

Further details on how this process works can be found in the Release 49 Guide to Enhancements on the ESR Hub.
