

UN3039 1 of 1 17 May 2021	Electronic Staff Record Programme USER NOTICE	
<b>Title</b>	NHS Digital Care Identity Service Migration to the Cloud	
<b>Purpose</b>	Provide an update of the migration	
<b>Intended Audience</b>	ESR – Smartcard & Registrations Users	

## SUBJECT

NHS Digital Care Identity Service Migration

## DETAIL

Further to User Notice 3034, this user notice is to provide users with an update on the migration activities that were undertaken during the 7th and 10th May.

Issues were encountered during the migration and 3rd Parties had to suspend the migration temporarily to resolve these. The original CIS platform was re-enabled and is in Live use.

The activity will be rescheduled, and a further user notice will be sent in due course, once we have been informed of the date.

## ACTION REQUIRED

None

## NEXT UPDATE

A User Notice will be sent once the new schedule has been confirmed.
