

UN3044 1 of 4 2 June 2021	Electronic Staff Record Programme USER NOTICE	
Title	National e-Learning Changes June 2021	
Purpose	To advise users of changes to national available e-Learning	
Intended Audience	All Learning Administrators and e-Learning users	

SUBJECT

Updates to e-Learning courses are available in ESR.

DETAIL

NHS England has committed to reducing its direct emissions to 'net zero' carbon emissions by 2040, with most of the reduction by 2030.

This e-Learning aims to provide the healthcare workforce with the knowledge and skills to deliver healthcare for financial, social and environmental sustainability.

Course Name	Provider
000 Building a Net Zero NHS	HEE e-Learning for Healthcare

This e-learning was developed to support health and care professionals from a range of multidisciplinary backgrounds, in better understanding heart failure and heart valve disease. It is targeted at clinicians in primary and community care settings, including GPs.
