<b>Title</b>	NHS ESR BI Webinar Workshops 2021	
<b>Purpose</b>	To inform users of the upcoming ESR BI Advanced Training Webinar Workshops	
<b>Intended Audience</b>	ESR BI Users	

## SUBJECT

ESR BI Workshops taking place in August and September 2021.

## DETAIL

Following on from last year's Report Running and Report Writing workshops, the NHS ESR Central Team are planning to deliver webinar workshops to support users in further maximizing their use of ESR Business Intelligence. The workshops are designed for users looking to create or customize intermediate to advanced ESR BI analyses and dashboards.

The content covered will be:

Commonly used Functions in ESR BI

- Aggregate
- Calendar/Date
- Expressions

Dynamic Date Filters

- e.g. for returning data as at an effective date or period

Using sub-analysis

- e.g. for basing results on another analysis

## ACTION REQUIRED

The workshops will be held on the dates shown below and are scheduled for 75 minutes. Please click on the date you wish to attend to register. Please note the content delivered will be the same on both dates, therefore attendees do not need to register for both.

Please ensure that you are able to use the webinar software prior to joining the session as we are unable to provide any assistance with this. It is recommended that where possible delegates use the “Dial in” audio option if there is any doubt as to the quality of the internet connection being used.

If you are unable to attend the webinar after you have registered it would be appreciated if you would cancel your registration.
