

UN3112 1 of 1 07 th DEC 2021	Electronic Staff Record Programme USER NOTICE	
Title	GPhC Go Live	
Purpose	To inform users that the Professional Body Interface will additionally process GPhC records from 10th December 2021.	
Intended Audience	ESR Leads; HR and Recruitment Teams; Pharmacy Professional Registration role holder	

SUBJECT

This User Notice is to advise users that from Friday 10th December 2021 the Professional Bodies Interface will update registration details in ESR for General Pharmaceutical Council (GPhC) registered professionals, in addition to the existing updates.

DETAIL

The Professional Bodies interface will update registration information held in ESR for GPhC registered professionals daily, as per that held in the GPhC public register, in line with existing Professional Bodies. Note that updates will reflect the position as at COB the previous day.

Notifications regarding updates will be produced to those who are assigned to the 'Pharmacy Professional Registration' role within ESR. Please see UN3084 for details.

Notifications regarding data issues with GPhC registration details, which have been operational since 27th October 2021 (see UN3097), will continue to be sent to the same role holder to facilitate any necessary data cleanse activities.

ACTION REQUIRED

NHS Organisations which employ **Pharmacists and/or Pharmacy Technicians** and have not yet allocated the 'Pharmacy Professional Registration' role must do so in order to receive notifications around the updates.

FURTHER INFORMATION

Please raise a priority 5 Service Request on the ESR service desk for any queries about the change, using the path *Report an Issue > AC > Interfaces > Professional Bodies*.

The ESR User Manual updates will be published in due course.

For more information on the interface and notifications produced, please review the 'GPhC FAQ' and the 'ESR Workflow Notifications Guide' which are available on the My ESR Hub.
