SUBJECT

Advice on the forthcoming National Insurance Threshold Increase

DETAIL

Following the Chancellor's Spring Statement the UK government announced that National Insurance thresholds would be increased from the 6th July 2022. In advance of this change HMRC will be writing to Employing Authorities asking them to ensure the payroll software they use is updated to reflect this.

This notice is to advise that ESR will be updated with these changes in Release 54 which is scheduled for the weekend commencing 24th June. There is no further action required by users to enable this to happen.
