UN3187	Electronic Staff Record Programme	
1 of 2	**USER NOTICE**	**NHS**
28th July 2022		
Title	URP Lockdown / Smartcard Access	
Purpose	To inform ESR Users of the withdrawal of an upcoming change to address system access.	
Intended Audience	Local System Administrators in England	

SUBJECT

To inform ESR users of the withdrawal of a forthcoming change affecting some users currently accessing the service without the required Smartcard to access ESR.

DETAIL

Further to the details contained within **UN3182 - URP Lockdown Smartcard Changes** it has been necessary to withdraw the proposed implementation of these changes from ESR Release 54.2.

It is still planned to introduce the changes detailed in UN3182 - URP Lockdown Smartcard Changes and these will be rescheduled as soon as possible.

Users are reminded that only the following URPs are enabled to allow access via the username and password facility (XXX indicates VPD Number):

- XXX Employee Self Service (Limited Access)
- XXX Employee Self Service
- XXX Supervisor Self Service (Limited Access)
- XXX Class Administration
- XXX Learning Administration
- XXX Learning Instructor
- XXX External Learner

If you are not currently able to access any of the above URPs using a username and password and would like to have the ability to do so please raise a 'Request a new Service' SR to 'Enable Manual login for Employee Self Service and Learning URPs' '

For Employing Authorities in England, it is a requirement that access to ESR for all other URPs is through the allocation of an NHS Smartcard.

ACTION REQUIRED
None

NEXT UPDATE

Title	URP Lockdown / Smartcard Access
Purpose	To inform ESR Users of the withdrawal of an upcoming change to address system access.
Intended Audience	Local System Administrators in England

A further update will be issued once the dates for deploying the changes are known.
