UN3246 1 of 4 05th December 2022	Electronic Staff Record Programme USER NOTICE	NHS
Title	National e-Learning Changes - December 2022	
Purpose	To advise users of changes to national available e-Learning and associated competence.	
Intended Audience	All Learning Administrators and e-Learning users	

SUBJECT

Updates to e-Learning courses are available in ESR.

DETAIL

The Oliver McGowan Mandatory Training aims to provide the health and care workforce with the right skills and knowledge to provide safe, compassionate and informed care to autistic people and people with a learning disability. This requirement is set out in the Health and Care Act 2022.

The handbook has been designed to accompany the e-Learning available.

For further information, please visit The Oliver McGowan Mandatory Training on Learning Disability and Autism webpage.

Title	National e-Learning Changes - December 2022
Purpose	To advise users of changes to national available e-Learning and associated competence.
Intended Audience	All Learning Administrators and e-Learning users

The aim of Step to Work is to provide AHPs who are `new to role' with guidance, support, and practical tools to help them reflect on the experiences and knowledge they have already gained to help them in their future roles. The course will compliment but not replace the need for high-quality preceptorship.

Course Name	Provider
000 Step to Work	HEE e-Learning for Healthcare

This programme supports those working with people with LTCs in personalised care and support planning, prehabilitation and rehabilitation.
