

UN3373 1 of 3 4 <sup>th</sup> December 2023	Electronic Staff Record Programme USER NOTICE	
<b>Title</b>	National e-Learning Changes - November 2023	
<b>Purpose</b>	To advise users of changes to national available e-Learning and associated competence.	
<b>Intended Audience</b>	All Learning Administrators and e-Learning users	

## SUBJECT

Updates to e-Learning courses are available in ESR.

## DETAIL

# Managing Chronic Breathlessness

How to help people living with chronic breathlessness feel better

This course is about breathlessness experienced by people with long term conditions like lung or heart disease and some cancers, that persists when the underlying condition is medically optimised.

Course Name	Provider
000 Chronic Breathlessness	e-Learning for Healthcare

# Trauma-Informed Care

This course aims to support the learner in deepening their understanding on the importance of becoming more trauma sensitive in the way care is delivered, both as an individual and within a team or service.

Course Name	Provider
000 Trauma-Informed Care	e-Learning for Healthcare

<b>UN3373</b> 2 of 3 4 <sup>th</sup> December 2023	<b>Electronic Staff Record Programme</b> <b>USER NOTICE</b>	
<b>Title</b>	National e-Learning Changes - November 2023	
<b>Purpose</b>	To advise users of changes to national available e-Learning and associated competence.	
<b>Intended Audience</b>	All Learning Administrators and e-Learning users	

This course has been designed to raise the awareness amongst nursing staff of the ways in which they can provide care to people who have different communication needs and styles. In particular this course will focus on developing nurses understanding of Makaton, which is a multi modal communication tool.

Course Name	Provider
000 Makaton Training for Nurses	e-Learning for Healthcare

## SEND Basic Awareness Modules

This training is for non clinical and clinical staff who, within their role, have contact (however small) with children and young people (CYP) up to the age of 25 years with SEND.

Course Name	Provider
000 SEND Basic Awareness: Level 2	e-Learning for Healthcare
