Title	ESR Education Transformation	
Purpose	To inform users of the transformed ESR Education package	
Intended Audience	All ESR Professional Users	

SUBJECT

We are pleased to announce the transformation of the ESR Education delivery from January 2024, as explained in the attached flyer.

DETAIL

Following a series of user workshops, feedback told us that regional face to face events would be the preferred option for those wishing to attend classroom training.

We are therefore pleased to announce that from January 2024 the ESR Education will be delivered in 3 tiers, catering for all levels of knowledge, and learning styles, both online and face to face.

To compliment the new education, and again following consultation in our user workshops, we are also moving the ESR User Manual to the ESR Hub to improve the User experience.

The ESR User Manual will be available on the ESR Hub during week commencing 1st January 2024. Regional Face to Face Education will commence from February 2024.

ACTION REQUIRED

Users are asked to read the attached flyer and should any Organisation wish to host a local education event please contact esr.is-esrcoursereg@nhs.net.

If you would like to discuss further, please contact the IBM CRMs at ESR.IS-ESRCRM@nhs.net or your Regional NHS Functional Account Manager.
