

UN3394 1 of 1 11 th January 2024	Electronic Staff Record Programme USER NOTICE	
Title	ESR Education – Regional Face-to-Face Training Update	
Purpose	To update ESR users on the introduction of regional face-to-face training.	
Intended Audience	All ESR users	

SUBJECT

Regional face-to-face training update.

DETAIL

Further to UN3382 the ESR Education Team are pleased to announce that we have received an overwhelming response from Organisations offering to host regional face-to-face training.

We are now in the process of contacting those Organisations to schedule the events.

ACTION REQUIRED

As we currently have enough interest from regions to schedule face-to-face training through to Summer 2024 we ask that you don't submit any further expressions of interest at this stage.

A further communication will be issued when we are ready to accept expressions of interest from Organisations able to host regional training in the latter part of the year.

FURTHER INFORMATION

If face-to-face (classroom) training is taking place in your region, your Organisations will be contacted to notify you of availability and how to enrol on the courses.

If you would like to discuss our new Education programme further, please contact the IBM CRMs at ESR.IS-ESRCRM@nhs.net or your Regional NHS Functional Account Manager.

NEXT UPDATE

None.
