UN3408 1 of 1 26th February 2024	Electronic Staff Record Programme USER NOTICE	**NHS**
Title	National Content Server Maintenance February 2024	
Purpose	To inform users of downtime for NHS England content servers	
Intended Audience	All ESR Learning Administrators and e-Learning users	

SUBJECT

Planned downtime for the NHS England content servers, on Wednesday 28th February from 8:30 to 10:30 AM.

DETAIL

NHS England need to schedule downtime for their content servers, https://cs1.e-learningforhealthcare.org.uk and https://content.learninghub.nhs.uk to allow for a system update on Wednesday 28th February from 8:30 to 10:30 AM.

During this time e-Learning content held on these servers will not be accessible. All other e-Learning available through ESR is unaffected.

ACTION REQUIRED

Ensure that learners, administrators and internal helpdesks are informed of the period of downtime.

FURTHER INFORMATION

Any e-Learning hosted on these servers will be unavailable during this period of downtime.

A popup message will be added to the Portal during this time period to advise learners that e-Learning hosted by NHS England cannot be played.

NEXT UPDATE

No further update is required.
