

UN3425 1 of 2 3 rd April 2024	Electronic Staff Record Programme USER NOTICE	
Title	Learner Homepage Webinar	
Purpose	To advise users of upcoming developments to the ESR Learner Homepage	
Intended Audience	All Users	

SUBJECT

Learner Homepage

DETAIL

The NHS Central Team will be hosting two webinars which will focus on developments to the Learner Homepage functionality in ESR scheduled to be implemented, subject to successful testing, in Release 61.0 at the end of May 2024.

The webinars will cover the following:

- The background and benefits of the development
- Changes to the look and feel of the Learner Homepage
- Associated Learning Administration changes
- User Journey for common tasks

ACTION REQUIRED

The webinars will be delivered via MS Teams and held on the following dates:

Monday 15th April 11.00am

To join this webinar click on the following link:
