

UN3625 1 of 1 26 th June 2025	Electronic Staff Record Programme USER NOTICE	
Title	Update on the planned development to the National Workforce Dataset (NWD) 3.6 Changes	
Purpose	To provide all ESR Organisations with an update on the implementation of NWD 3.6	
Intended Audience	All ESR Organisations	

SUBJECT

Update on the planned development to the National Workforce Dataset (NWD) 3.6 changes.

DETAIL

Further to the previous User Notice UN3621 issued on 24th June 2025, please be advised that the implementation of the National Workforce Data Set (NWD 3.6) changes, originally scheduled for **Release 65** during the weekend of 27th - 29th June 2025 has been postponed.

This means that the planned updates to Occupation Codes, Job Roles, Area of Work, and Fixed Term/Temporary Contract Reason Values will not be deployed into the ESR Production Service as part of this release.

ACTION REQUIRED

Organisations should continue to use the existing values and processes until the revised plan of implementation is confirmed.

We appreciate your understanding and apologise for the inconvenience caused by the issue.

FURTHER INFORMATION

The changes are now scheduled for Release 65.1.0.0 during the weekend of 4th – 6th July 2025, subject to successful testing.

NEXT UPDATE

An additional UN will be issued to advise organisations of the actions required once the changes are implemented.
