Title	ESR Form JAR Signing Certificate Update / Release 65.3.0	
Purpose	Provide ESR Users with an update on logging in to ESR post Release 65.3.0	
Intended Audience	All ESR Users	

SUBJECT

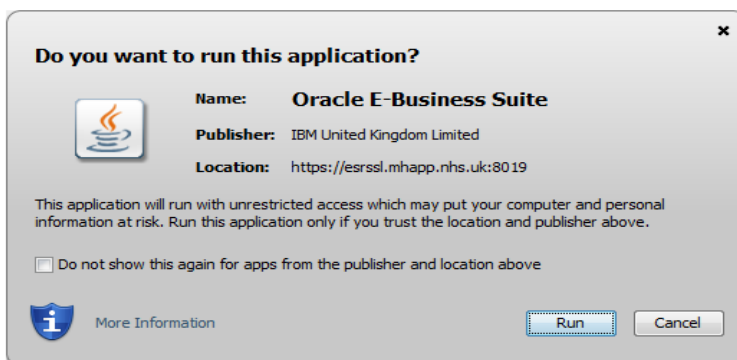

Provide ESR Users with an update on logging in to ESR post Release 65.3.0

DETAIL

Release 65.3.0 will introduce a new certificate & publisher that requires authorisation on entry to ESR.

This is a renewal of the certificate used by ESR to sign the Java applet JAR files which are downloaded by Forms users.

When logging in for the first time from Tuesday 26th August 2025 a message will be presented like that shown below:

ACTION REQUIRED

Upon receiving the above prompt, Users will need to select the check box: 'Do not show this again for apps from the publisher and location above' and then click Run. This will ensure you are not presented with this message again as the certificate will be stored on the local desktop.

Intended Audience	All ESR Users	

Once accepted, a download of Java JAR files will be initiated. The initial download is expected to take longer than normal to complete. We request Users to be patient during this event and allow the download to complete. Please do not exit and retry as this could extend the time taken to access ESR.

Once the download is complete you will be able to access ESR.
