

UN3667 1 of 2 24 th September 2025	Electronic Staff Record Programme USER NOTICE	
Title	ESR Release 66.0.0.0 and 66.1.0.0 Notification of Downtime	
Purpose	To inform users of planned downtime for ESR Release 66.0.0.0 and 66.1.0.0	
Intended Audience	All ESR and ESR Data Warehouse Users	

SUBJECT

Users are advised that the ESR Production Service, ESR Hub, e-Learning, ESRBI, ESR Data Warehouse, ESR Portal and TRS will be withdrawn at 18:00 on Friday 26th September 2025, in order to apply Release 66.0.0.0 and 66.1.0.0

DETAIL

Release Notices detailing the content of R66.0.0.0 and 66.1.0.0 have been issued.

The overall period of downtime is estimated to be 54 hours, and the Service is expected to become fully available again by 23:59 on Sunday 28th September 2025.

The ESR Hub will be unavailable for an initial period of 27 hours from 18:00 on Friday 26th September 2025 until 21:00 on Saturday 27th September 2025 and remain available until 13:00 Sunday 28th September 2025. There will then be a further period of unavailability between 13:00 and 20:00 on Sunday 28th September 2025.

Users are asked to note the withdrawal time for the Service on Friday and co-operation is requested to ensure that all Users are logged off by 18:00.

Please also note that ESR batch queues will be held from 16:00 on Friday to ensure that no batch work is running when the service is withdrawn at 18:00.

Furthermore, between the hours of 13:00 to 20:00 on Sunday 28th September 2025 the following services maybe temporarily unavailable:

- [Interface HUBs](#)
- [ESR Service Desk](#)
- [ESR Familiarisation Environment \(EPRO\)](#)
- [TPLY](#)
- [Offline payslip viewing](#)
- [TRS, ESS over the internet and ESR Portal Maintenance pages may also not be displayed](#)

Please Note:

Any pay-related jobs that need to complete before the system is withdrawn at 18:00 must be submitted well in advance of the 16:00 cut-off in order for them to be completed by 18:00. This includes payroll, prepayments, RTI Processes and transmit BACS.

To ensure that jobs are completed by 18:00, and therefore the period of downtime is not unnecessarily delayed, there will be active management of related queues from 10:00 on Friday that may result in

Title	ESR Release 66.0.0.0 and 66.1.0.0 Notification of Downtime	
Purpose	To inform users of planned downtime for ESR Release 66.0.0.0 and 66.1.0.0	
Intended Audience	All ESR and ESR Data Warehouse Users	

processes showing as 'Inactive No Manager'. If a process must be run and complete before the downtime period commences, please raise an appropriate 'Report an Issue' P3 SR detailing the Request and reasons for the request to be released so this can be reviewed and assessed.

Users are advised not to submit jobs to run "as soon as possible" before 16:00 on Friday that might be expected to run past 18:00, but to schedule these to run after the advertised downtime is complete. Any jobs which are still running at 18:00 on Friday will be aborted to ensure that the release can be deployed within the downtime window.

ACTION REQUIRED

Organisations are kindly asked to ensure that they internally communicate the downtime to all Self Service users.

FURTHER INFORMATION

ESR, e-Learning, ESRBI, ESR Data Warehouse, ESR Portal and TRS will be unavailable during these periods of downtime.

The TRS, ESS over the internet and ESR Portal services will display maintenance pages.

Users will have the ability to browse the ESR HUB and view the latest two payslips between 21:00 on Saturday 27th September 2025 and 13:00 Sunday 28th September 2025.
