Title	MM-0100 Organisation Site IT, Printer and Network Infrastructure Readiness	
Purpose	To inform ESR users of the changes made to this document.	
Intended Audience	IT departments of ESR users.	

SUBJECT

This notice is to inform users of the updates made to the MM-0100 document.

DETAIL

Version 47 of the MM-0100 document has recently been released. It references the current supported versions of client software.

The following is a list of the key sections of MM-0100 that have been updated:

Section	Change
1	ACT reviewers updated
5	Sub section 5.1 was updated with wording where anti-virus policy affects uploading of documents/attachments (<i>The ESR solution allows attachments to be uploaded as part of various functions. It is ESR policy that these files are not password protected. This is to allow them to be scanned for potential viruses. ESR will prevent files from being uploaded if they are password protected and users will receive an error message.</i>)
8	Table updated, new release R70 added to the table along with the corresponding supported browser, operating system, and Java JRE versions.

ACTION REQUIRED

Please share this version of the document with your IT Department or IT Provider.
