

UNdw305 1 of 2 13 th June 2024	Electronic Staff Record Programme USER NOTICE	
Title	Strategic Data Warehouse – ESR BI Reporting Upgrade Project Impact	
Purpose	To inform users of the BI Reporting Upgrade and impact on SDW	
Intended Audience	All Data Warehouse Users	

SUBJECT

To inform users of the ESR BI Reporting Upgrade and the impact on Strategic Data Warehouse.

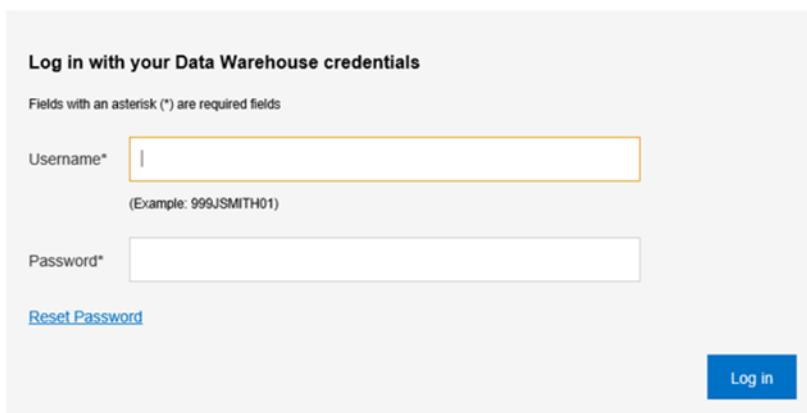

DETAIL

The ESR BI reporting solution is due to be upgraded to provide a robust future platform to support the ongoing needs of the NHS.

This upgrade is scheduled to take place as part of R61.2 downtime (29th June weekend) subject to the successful completion of testing.

Post upgrade users will continue to access ESR Data Warehouse via the current URL and existing login details. However, they will be presented with a new login page as follows:

ESR Data Warehouse

You are attempting to access the ESR Data Warehouse. By entering a password you are confirming your acceptance that you are bound by the Computer Misuse Act, 1990 and any local policies/procedures as defined by your Employer. Usage and access to the ESR solution is audited and action may be taken against any individual attempting inappropriate activity.

[Terms and Conditions](#)

Additionally, please note that if you have scheduled any recurring agents then these will be disabled by the upgrade process. Therefore users should re-enable agents from the schedule tab of agents from Monday 1st July if still required.

NOT PROTECTIVELY MARKED

Purpose	To inform users of the BI Reporting Upgrade and impact on SDW	
Intended Audience	All Data Warehouse Users	

Please note: BI Publisher for DW users will be disabled post upgrade. This is due to a known issue with access to existing data models and the creation of new data models. Further updates will follow pending further investigation.

ACTION REQUIRED

Users are advised to re-enable scheduled agents from Monday 1st July if required.

FURTHER INFORMATION

If you have any queries with any of the above, please raise a Service Request via your ESR Data Warehouse Super User.
