RN457 1 of 3 17 December 2020	Electronic Staff Record Programme RELEASE NOTICE	NHS
Title	Release 48.1.0.0	
Purpose	To inform Users on the content of the Release	
Intended Audience	All ESR users	

The following items will be resolved in Release 48.1.0.0 which is scheduled for deployment on the 31st December 2020. Details on the downtime relating to this will be advised in a separate User Notice nearer the time.

Currently subject to test completion

Ref ID	Description	Process Area
PRB2001662	**Employee Competence expiry notification** The Competence Expiry Notification contained a link titled 'Portal Landing Page' instead of the ESR URL. This has been resolved.	Notifications \ Competencies

Title	Release 48.1.0.0
Purpose	To inform Users on the content of the Release
Intended Audience	All ESR users

Testing complete

Ref ID	Description	Process Area
PRB2001741	**IAT is not returned when an error is encountered copying applicant details to the portal** An issue whereby IAT requests for applicants have not returned a PDS copy notification due to having "Future dated changes" has been resolved.	HR \ IAT
PRB2001641	**Incorrect competence dates when the learner completes a non-renewable Learning Certification** The issue with the competence dates not being updated for some learners when they complete a non-renewable learning certification is now resolved.	Learning Management \ Competencies
INC2018284	**Hide Regional Section of ESR User Preferences** The 'Regional' section of the ESR Preferences page has been removed from ESR. For reference, the fields and default values are as follows: Territory: United States Date Format: dd-MMM-yyyy (18-Sep-2020) Timezone: (GMT +00:00) GMT Number Format: 10,000.00 Currency: NULL Client Character Encoding: Western European (Windows) A User will no longer be able to amend these values. If a User had previously amended any of the above, this has now been amended back to the default value (as above).	Notifications \ Self-Service
PRB2001765	**Human Resources - Personal Competence and Qualifications Profile** For newly created organisations, employees without personal competences could be omitted from analyses created in the Human Resources - Personal Competence and Qualifications Profile subject area. This has been resolved.	Reporting \ BI

Title	Release 48.1.0.0
Purpose	To inform Users on the content of the Release
Intended Audience	All ESR users

PRB2001722	**Employees details are missing from a local report after FTE change followed by Assignment or Person Change** When the Assignment Budget values are date track updated without a change in value then the subsequent assignment and person changes are missed and the assignments are missed from the Workforce Event Fact. This issue has been fixed.	Reporting \ BI
PRB2001687	**Assignments missing from Workforce Fact after FTE change followed by Assignment or Person Change** When the Assignment Budget values are date track updated without a real change, the subsequent assignment and person changes are missed and the assignments are missed from the Workforce Event Fact. This issue has been fixed and all affected assignments have been corrected.	Reporting \ BI
PRB2001772	**NHS Compliance Dashboard - Competency Matching Analysis** The NHS Compliance Dashboard - Competency Matching Analysis is incorrectly including end dated competencies. This has been resolved.	Reporting \ BI
