Title	Release 51.0.0.0
Purpose	To inform Users on the content of the release
Intended Audience	All ESR Users

The following items are covered in Release 51.0.0.0 which is scheduled to be deployed on 1st October 2021. For information on the related downtime, please refer to **UN3087 Release 51.0.0.0 and 51.1.0.0 Notification of Downtime**

Action required	**Users are requested to action all outstanding Workflow Notifications prior to the downtime.**
For info	**If any issues are encountered whilst attempting to download a BI report after the release, then it is advised to clear the internet cache** **Internet Options > General > Delete** **In particular please ensure the 'Preserve Favourites website data' checkbox is unchecked.**
For info	**There will be a JAR file download for all Forms users as part of the release. This will take place upon users logging in and accessing Forms. The initial download might cause a slight delay. Users who are home working may experience longer delays and we ask you to be patient.**

Service Desk Reference	Description	Process Area
PRB2001986	**Missing Download Button** Users of the Applicant and My ESR Dashboard could not download documents from the Local Documents and Media section. This has been resolved.	Application \ Configuration
PRB2001990	**IAT process** IAT process would fail for applicants if the Emergency Contact Details in the target Organisation were already populated. This issue is now resolved	HR \ IAT

Title	Release 51.0.0.0
Purpose	To inform Users on the content of the release
Intended Audience	All ESR Users

PRB2001924	**ESRBI: Hide employee Phone related columns from Employee Attribute folder** The columns 'Work Phone', 'Mobile Phone', 'Pager Number' and 'Home Phone' columns has been hidden from the 'Employee Attributes', 'Delegate Attributes' and the 'Applicant Attributes' folders. If you need to report on this data you will now need to pull the information from the associated phone dimension information in these areas.	HR \ Person Record
PRB2001966	**NI Multiple assignments tick box** The NI Multiple Assignments tick box was selected incorrectly by default when a new employee record was created. This issue has now been resolved and means the 'NI Multiple Assignments' tick box will only be ticked automatically when a second assignment is added to the employee record.	HR \ Person Record
PRB2002037	**Compliance portlet** The following message could be displayed to learners attempting to play e-Learning from the My Compliance "This competency can be delivered by 2 or more components (e.g. learning certification and course). Please navigate to the Learner Homepage or choose the appropriate course from the My e-Learning Portlet where applicable." This has been resolved.	Learning Management \ Enrolment
PRB2002009	**Email notifications for Pay Progression** The three notifications for employees, managers and role holders for pay progression should now correctly show those employees whose start date in grade is prior to April 2019. The amendments to remove the restriction for England only omitted to update these notifications, but this has now been resolved.	Notifications \ HR

Title	Release 51.0.0.0
Purpose	To inform Users on the content of the release
Intended Audience	All ESR Users

PRB2001775	**Prevent ESS approvals skipping managers after timing out to the top of the hierarchy and restarting** An issue where timed out Employee self-service transactions have reached the top of the hierarchy and restarted skipping managers, or ending without approval has been fixed.	Notifications \ Self-Service
PRB2002031	**AfC Average Earnings function** The issue with the elements 'Acting Up Adj OT PAY NHS' and 'Substitution Pay OT PAY NHS' not being included in the AfC Average Pay calculation has been resolved. The change is not retrospective.	Pay \ Payroll Cycle
PRB2002004	**Blank online e-P60 is generated for the assignments with no P60 archive** The issue with blank online e-P60's for the assignments for the terminated assignments with no archive has been resolved.	Pay \ P60 \ On Line
PRB2002001	**Submission of files to HMRC** The issue whereby some users were observing a long wait after they had submitted their FPS or any other large file to HMRC has been resolved.	Pay \ RTI \ FPS
PRB2002026	**NHS Pension Banding Dashboard** The Pension banding report would take a longer time than expected for large trusts and then could fail due to performance issues. This is now resolved. If any trusts have local copies of this report then the local copies could be regenerated from this new Pension banding report.	Performance \ BI
PRB2001805	**Scheduled announcements** Scheduled announcements did not take account of the change to British Summer Time. This has been resolved.	Portal \ Configuration

Title	Release 51.0.0.0
Purpose	To inform Users on the content of the release
Intended Audience	All ESR Users

	Browse National Content National Users can see an additional sub-menu arrow below the Browse National Content. This has been resolved.	
PRB2001928	**Browse National Content** National Users can see an additional sub-menu arrow below the Browse National Content. This has been resolved.	Portal \ Configuration
PRB2001949	**Unauthenticated User** An unauthenticated user was unable to trigger a search via the Hub when using Firefox or Chrome browsers. This has been resolved.	Portal \ Dashboard
PRB2001991	**Accessibility issues** This release will resolve accessibility issues on ESR Hub Menu Items & on left side navigation menu on Portal dashboards.	Portal \ Dashboard
PRB2001935	**Personal Details portlet** Within the Personal Details portlet, an error message is returned when attempting to update a Home Email Address which includes a hyphen (-). This has been resolved.	Self Service \ Employee
