| <b>Title</b>                   | Release 53.0.0.0   |   |
| <b>Purpose</b>                 | To inform Users on the content of the release              |   |
| <b>Intended Audience</b>       | All ESR Users  |   |

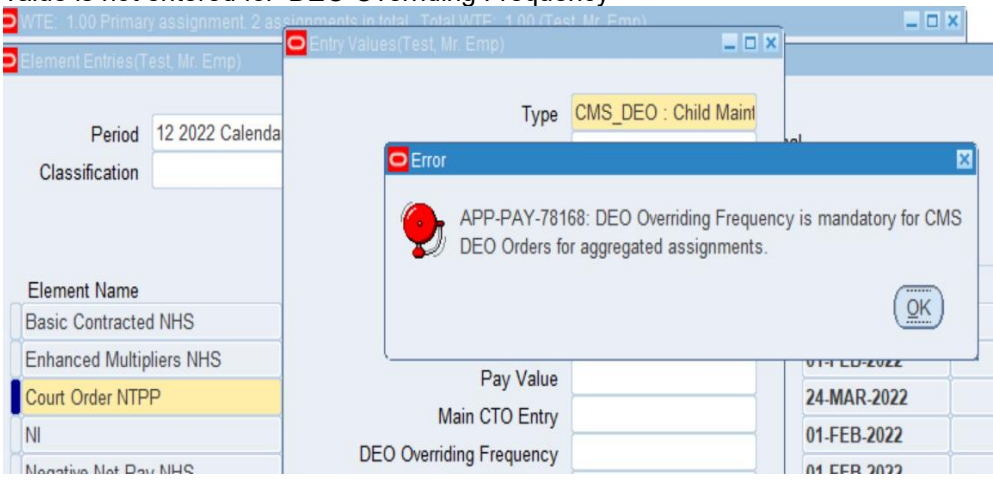

The following will be resolved in Release 53.0.0.0 which is scheduled to be deployed on 1<sup>st</sup> April 2022. Details on the downtime relating to this will be advised in a separate User Notice nearer the time.

|                        |   |
|------------------------|---|
| <b>Action required</b> | <b>Users are requested to action all outstanding Workflow Notifications prior to the downtime.</b>  |
| <b>For info</b>        | <b>There will be a JAR file download for all Forms users as part of the release. This will take place upon users logging in and accessing Forms. The initial download might cause a slight delay. Users who are home working may experience longer delays and we ask you to be patient.</b> |
