*PRB2001480	**'View' button on 'My Compliance' Portal** The 'View' button on the 'My Compliance' Portlet was disabled when the User was already enrolled onto a class that delivered the competency in the future. This has been resolved.	Portal \ Dashboard
PRB2002541	**Pre-Allocated exceptions not being included in the 'My' and 'Team' counts** Pre-Allocated Exceptions were not being included in the "My" and "Team" count displayed on the Payroll Exceptions portlet. This has been resolved.	Portal \ Dashboard
*PRB2002657	**Changes to how we identify assignments/employees as supervisors in ESRBI** When a new assignment is created for an existing supervisor, the Supervisor Indicator flag can be removed and incorrectly identify employees as not being supervisors. This data item is not in any of the standard dashboards but is available for ad hoc users. This change will address this issue by creating new data items to simplify how we identify assignments/employees as supervisors in ESRBI.	Reporting \ BI
PRB2002683	**Sickness Absence entitlements being set to default values after update through Self-Service** If absence fields are updated via self-service, any Sickness Absence entitlements that have been altered are being reset to default values. This should only happen if the absence start date or work related flags have been changed. This issue is now resolved.	Self Service \ Manager
