Title	Release 63.0.0.0
Purpose	To inform Users on the content of the Release
Intended Audience	All ESR users

Release 63.0.0.0 is scheduled for implementation over the weekend commencing 27th December 2024. For details on the related downtime, please refer to **UN3538 - Release 63.0.0.0 Notification of Downtime**

Content is currently subject to test completion. Further communication will be issued if any are withdrawn from the release

Action required	**Users are requested to action all outstanding Workflow Notifications prior to the downtime.**
For info	**There will be a JAR file download for all Forms users as part of the release. This will take place upon users logging in and accessing Forms. The initial download might cause a slight delay. Users who are home working may experience longer delays and we ask you to be patient.**

Ref ID	Description	Process Area
PRB2002824	**Issue when OSHP plus SSHP is more than the Normal Full pay** When an employee was in receipt of both OSHP and SSHP and the combined amount exceeded their Normal Full pay amount, the payment of OSHP was not being reduced accordingly.
