Title	Release 65.0.0.0	
Purpose	To inform Users on the content of the Release	
Intended Audience	All ESR users	

Release 65.0.0.0 is scheduled for implementation over the weekend commencing 27th June 2025. For the related downtime, please refer to **UN3622 - Release 65.0.0.0 Notification of Downtime**.

Content is currently subject to test completion. Further communication will be issued if any are withdrawn from the release

Action required	Users are requested to action all outstanding Workflow Notifications prior to the downtime.
For info	There will be a JAR file download for all Forms users as part of the release. This will take place upon users logging in and accessing Forms. The initial download might cause a slight delay. Users who are home working may experience longer delays and we ask you to be patient.
