

RN619 1 of 3 18 th June 2026	Electronic Staff Record Programme RELEASE NOTICE	
Title	Release 69.0.0.0	
Purpose	To inform Users on the content of the Release	
Intended Audience	All ESR users	

Release 69.0.0.0 is scheduled for implementation over the weekend commencing 26th June 2026. Details on the related downtime will be issued nearer the time.

Content is currently subject to test completion. Further communication will be issued if any are withdrawn from the release

Action required	Users are requested to action all outstanding Workflow Notifications prior to the downtime.
For info	There will be a JAR file download for all Forms users as part of the release. This will take place upon users logging in and accessing Forms. The initial download might cause a slight delay. Users who are home working may experience longer delays and we ask you to be patient.

Ref ID	Description	Process Area
-	Change to Employment and Verification Statement An update has been made to the Employment and Income Verification PDF statement available for download from the My Employment portlet. The field name "NHS Start Date" has been renamed to "Latest Start Date" to ensure the terminology more accurately aligns with the source data held within ESR. Personal Details Updated field name from NHS Start Date to Latest Start Date.	HR \ Person Record
PRB2002833	Learning objects Learning Administrators could not update a Learning Object when the number of rows exceeded 301 and the Learning Object they were searching for was listed after the first 301 rows. This has been resolved.	Learning Management \ Content \ Play
PRB2003152	Learning Admin URP Within the Learning Admin URP, the 'Customer' page was displaying additional tabs and fields which should not be visible. This has been resolved.	Learning Management \ Resources
