### **3. INTRODUCTION**

The ESR Development Schedule includes high level information of planned developments to the ESR solution.

The information in this schedule is subject to change and any deployment will be subject to successful development and final testing. The schedule for changes is laid out below (subject to the constraints noted above). Full details of the final enhancements will be included in the ESR Release Notice and/or Guide to Enhancements at the time of release.

#### **4. RELEASE TIMETABLE**

<b>Release date</b>	<b>Release</b>
June 2024	61.2
July 2024	61.3
