Design Assumptions

The following design assumptions have been made and can be applied to all analyses and dashboards:

- 1. All analyses have an export button to enable the user to export to their format of choice.
- 2. All analyses have an 'Add to Briefing Book' button enabled to allow the user to group national analyses together into a board-report type document.
- 3. All dashboards are designed on a screen resolution of 1024 x 768 pixels to prevent horizontal scroll bars being displayed (except where wide tables of data are required).

Examples

Where applicable, the examples included in this document contain fictional data only. The names and other personal details are fictional although look realistic enough to provide a useful example.

Employee Relations Dashboard

Description

The Employee Relations Dashboard is split into eleven dashboard pages and follows the standard design used by all NHS Standard Dashboards. The summary page provides an overview grouped by each area of the employee relations process. A Date range is used when filtering the Dashboard so that leaver details can be included if required. Pages are then provided to show a detail view at employee level of each area. Prompts are provided for the user to filter each page to show open-ended cases only.

Allocation

This dashboard is available to the following URPs:

XXX Business Intelligence Administration XXX Employee Relations Administration

Prompts

Date Between (default: first of previous month to current date) Group By (default: gender) Staff Group Restrict to open cases only (default: Yes) Organisation Level 1-13 Assignment Status

Index

Description

Employee Relations reports are available in two different categories below:

- Summary
- Employee Relations

From this tab users can click on links provided to navigate to reports.

Employee Relations Summary

Description

A number of analyses are provided on this dashboard tab. At the top three views are provided of the number of ER cases. A Table, Bar Graph and Pie Graph are able to be grouped by a number of data items using the prompt provided and show the total number of employees at each area of the employee relations process. Below that a view of Disciplinary cases is provided. To the right a view of cases by HR Advisor Contact, and at the bottom a view of cases by Organisation.
